- not relevant
- Stable

21. What do you think would help you progress in your purity?

Réponses textuelles, Nombre de répondants 25x, sans réponse 4x

- a more open and direct discourse/attitude in our church.
- Getting married would help.
- to have relationships (just friends) with brothers, going out once in a while. being more strict what movies I watch (not to many romantic movies). being open about it on regular bases not only once in a while. stay close to God.
- focusing on greatness of God, his love fo me,, prayer an being focused on sharing my faith with unbelievers
- Being more open about it from the pulpit, Having exampkes to follow after
- More openness in our churches about how to live as an adult disciple with the human need of closeness and at the same time being single. Big need for help and guidance for mature singles to build healthy relationships/friendships
- I don't know
- No unpure films. Eben those films where some one "just" leaves some one because to love some one else seems to be so m6ch easier.... it helps me more to see films where people try to stay together in good or bad times.
- connecting with others who have similar backgrounds/struggles this being able to talk about it more openly. Praying more for strength. Understanding more why certain things trigger the struggle. Getting my comfort from God and not sexual attention
- Continuing to be careful in the books I read and TV shows I watch. Constructive discussions on desire, temptation vs sin in areas of sexual purity.
- Stronger convictions and to be open and vulnerable about it. Not being afraid of judgement.
- Consistent Bible study, Bible study groups apart from Mid-week and Sunday service, Fellowship
- My gratefulness and that I was very impure before becoming a christian... I do not want anymore
- Learning more about having a pure heart and knowing practical tips too.
- To confess to other disciples
- That the couples made more attention to the single: that is, not force them to go to single women's pensions, We must be able to speak about our fights without being judged, without feeling(smelling) the shame invading us and not feeling guilty
- More praying and maybe talking about it with trusted friends
- No progress needed at the moment
- Pray & read about it.
To be careful of what am listening (music), watching (too much romantic film)and to be aware of my state of emotions. When I am toi tired and sensitive, I sin more easily.
- If I did talk more about my struggles concerning guys, my experiences, feelings & how I act around them with my sisters in Christ I would even be more pure. If I had someone that we call "confidante" over here I guess it would help as well.
- Being with a man who trusts in God and believe that he's the only way to purity
- Less temptation: films with erotic scene, less comment about women's beauty. Less speach about sex when we are among "not-discepole" people.
- accountability and vulnerability
- Being open about it
- Having faith and being honest with God amd ourselves!

22. Do you believe that masturbation is a sin?

Choix unique, Nombre de répondants 28x, sans réponse 1x

| Choix de réponse | Réponses | Ratio |
|---|----------|--------|
| ● Yes, in all circumstances | 22 | 78,6 % |
| ● Only if it's connected with lust (porn) | 2 | 7,1 % |
| ● no, it's not (even connected with porn) | 1 | 3,6 % |
| ● It depends... please comment: | 3 | 10,7 % |

- sometimes I feel so much desire that I believe its better to masturbate than yell hit my child
- Why does the Bible not condemn or mention it yet it
- I think it's a grey area and we need to help people understand what's going on to cause it.

23. Do you believe that homosexuality is a sin?

Choix unique, Nombre de répondants 28x, sans réponse 1x

| Choix de réponse | Réponses | Ratio |
|--------------------------------|----------|--------|
| ● Yes always | 19 | 67,9 % |
| ● No it's not | 1 | 3,6 % |
| ● It depends... please comment | 8 | 28,6 % |

- I do not believe that it's always a choice. But it's a choice how you live with it.
- probably with most people but not always
- I think homosexuality itself is not a sin but if you live it out it is: having sex with the same sex
- It is a sin but how we talk about it as worse than other sins needs to be addressed.
- Being homosexual isn't a sin but taking part in sexual acts with a person of the same sex is
- Having the struggle is not the sin but having sexual relations with a person of the same sex.
- being attracted to someone of the same sexe no, but persuing those desires yes.

- It depends how the situation is

24. Do you find it hard to talk about your sexuality with your friends in the church?

Choix unique, Nombre de répondants 28x, sans réponse 1x

25. Do you feel more guilty and ashamed in the area of sexual sins than about other sins?

Choix unique, Nombre de répondants 28x, sans réponse 1x

- used to feel much more guilty but it had changed
- I don't feel guilty or ashamed for any sinn. I feel sorry and sad
- a bit more embarassed

- I don't really know... It's like the last question.

26. What do you expect from your church regarding the topic of sexuality?

Réponses textuelles, Nombre de répondants 23x, sans réponse 6x

- Honest discussions during discipling times, a safe place for confession and teaching in smaller groups. I'm not a fan of teaching about sex in church. It doesn't help me because I need privacy and space to open up.
- to talk about it (it shouldnt be a tabu topic) and teach biblical standards.
- for me personally my needs are met. i am a bit concerned about men/women struggling wih porn and having a strong support group like AAg
- Same as before
- More openness about the topic and how to handle it. This also requires wisdom, care and maturity
- Haven't thought about it
- To be free to talk about. I do not like if married disciples are to touchy in front of me or others in Church. Especially during the service . Eben though there are some marrieds who do the opposite, they seem to be more like Singles....
- To talk about it now and then and to not have it be a tabu topic.
- I think if we talk about it more and create a safe environment for people to be open and get perspective/help we would be healthier in general. I also think we act out of fear from the teens on and we treat it as the worst possible thing that happens
- For me, nothing any more. Too late.
- Safe and open space to discuss the homosexuality and transgender issues in the world around us. It would be helpful to address together the arguments that other believers use to support these lifestyles.
- Make it something that's not taboo, so that we can talk about it openly and get the same reaction from people as if we were talking about any other sin. And help, help to get out of the sin without drowning in guilt.
- Disciples should be more open. It is also difficult for disciples where they are more marrieds than singles. Marrieds do not share their sexual struggles with singles making the singles look like the bigger sinners
- how to answer questions to no-christians, when they ask: what do you think about homosexuality? or things like that
- I expect it being clearly led by the Bible.
- The subject was have to be taboo and we have to feel at ease to be able to speak about it, as we speak other sins.
- Realistic approach, trust
- I'm not sure, it's a topic that seems to be avoided
- To be more open about it and that is not taboo any more. That it would okay if the pastor could mentionne it sometimes in the sermont.
- I haven't got any expectations.
I think we need to talk about it.A disciple of our church as shared about his past, what the Bible says about it and it was REALLY good.As a teen we need to know about what God thinks.One class/year is a good solution.
- Speak more about that
- more teaching / openness about the Bible's view of sexuality and how to navigate this area in a world where there is a daily assault with a lot of sexual content (advert / music / film etc)
- Explaining this topic in a deep way because is very important.

27. On a scale 1 to 10, how do you evaluate your relationship with God (1 = really bad; 10 = the best time ever in my walk with God)

28. Any other comment regarding this topic / survey?

Réponses textuelles, Nombre de répondants 13x, sans réponse 16x

- great that you talk about this topic at EBS!
- wishing you much blessing from God teaching this topic at next EBS
- I appreciate the effort you make to talk about this topic

- I still think it should be more talked about that there is the possibility to be and stay a happy Single. Marriage is not "better" as being Single. Maybe we could talk about dating again. Some young and old Singles may not know how "healthy" it could be to have strong good friendships between man and woman in the kingdom.
- I hope that the results of the survey will be published somehow. It'll be super interesting.
- I think many people have a past of being sexually abused or having unhealthy worldly relationships and we should talk about how those situations have an impact on our sexuality and struggles with impurity as disciples. If people already feel guilty and then we add the immense guilt associated with impurity in the church it is hard to understand how to help those people since we are so black and white about the topic people don't know how to be open and get help.
- The survey is heavily focused on the sexual aspect (which makes sense since the EBS is on sexuality) but for the flirting question in particular, as a woman I find the challenge is more of an emotional / attention seeking one rather than a "sexual" one. With the worldviews on sexuality changing a lot in the world around us and the rise of the "fluid gender" concept, it will be helpful to have a solid biblical view on it.
- Until a year ago I was convinced that sexual sin was something disciples never fell into because no one talks about it, so once I was faced with this sin I didn't know who to go to or if I could ever have a relationship with God again. I think it's great that we're covering this topic so people can know that they're not alone in this struggle and to find a way out of it.
- I think it would be good to have a class in every church to share about what has been learned in the EBS.
- Thanks so much for talking about it. I think it's very important to dig in this topic, I mean at least for me. I'm a kingdom kid. I always heard to never have sex before marriage, that's really bad, it's a sin, you would not honorify I have a bad representation of sexuality. One of the consequences of my education (from my parents or the church) is that I associate that sexuality is sin, impurity, disgusting and bad (even in the marriage). I want to understand if sex is good or not (after marriage of course), I want to understand why does it exist?

I Hope ill be able to change my mind ^^
- It's a good idea to do survey regarding this topic! Thank you!
- Thank you so much for organising a teaching w-e on this topic. It feels at times that singles are basically told (implicitly or explicitly) not to think about it at all when we live in a world where it is present all around us (not to mention the fact that sexual purity is really going against the grain of what society - whether you are single or married for that matter - is all about at the moment).

Unfortunatly i will not be able to attend the EBS but I am looking forward to the teachings being shared and made available.
- It was very interesting and reminded me how important should be to talk about it more often

European Bible School survey : Healthy and Biblical view on sexuality

Dear sister, dear brother,

Here's an ANONYMOUS survey for all disciples in the European Churches of Christ. This survey will help us prepare the next EBS session on the topic "*Healthy and biblical view on sexuality*".

Your honest answers will help us better understand the convictions and the needs in the churches regarding this important area of our lives. The more answers we have, the better understanding we will get to help disciples. To be efficient, the questions are very "realistic". We hope it will not hurt your sensitivity or spirituality. Feel free to not answer the questions you don't feel comfortable with.

Please answer before Tuesday, May 9th. It only takes about 5 to 10mn.

Thanks a lot for your participation !
